

## Gift Aid Declaration Form

*giftaid it*

### Tax-efficient giving

Following our recent Charity Registration, Majlis Khuddamul Ahmadiyya UK, is urging all UK Tax paying members to provide consent for us to claim Gift Aid on their behalf.

### What is the Gift Aid Scheme?

You can make every gift to Majlis Khuddamul Ahmadiyya UK worth potentially 28 per cent more, if you are a UK taxpayer. This is a government scheme to encourage people to contribute to charitable works. It does not diminish your income as the tax we reclaim on your behalf is effectively the element of the tax that was deducted from your income in the first instance. Just complete this Gift Aid Declaration and we'll do the rest. This supplement to our income will better enable us to fund the noble objective of Majlis Khuddamul Ahmadiyya UK.
